Professional Use Guidelines

Thank you for choosing the Glenwood Life Center (GLC)! We're seeking organizations and entrepreneurs ready to share their talents and passions to benefit the larger community. GLC is an affordable "Third Place," from home and work, to organically build intentional, collaborative community. We're excited you've chosen to be a part of GLC's unique, growing culture. Here are guidelines to help maximize your experience at GLC.

- 1) **Professional Use Definition** - An individual or organization, profiting or charging participants, using GLC space to provide a service, run a workshop, host an event, host a fundraiser, lead a support group, etc... for the benefit of building life-giving community at GLC for the North Shore.
- 2) **Fees** – Yearly \$35 membership, \$80/4hour rental fee per room, \$5 cleaning fee per use (\$25 per use if over 25 people). Must be paid at least 7 days in advance.
- 3) **Please be respectful** – Others may be using parts of GLC, a shared building, at the same time as you.
- 4) **There is no full-time staff or a custodian** - Please reserve enough time to set up, break down, and clean up the space, besides just the length of your actual program or event time. Please make sure the room is ready, looks the way it started, for the next group to use.
- 5) **Entering the building** – The front door will be electronically set to open and lock for your designated time frame. Or you will be emailed a KEVO eKey, through an app. on a smart phone, that opens the black deadbolt on the back-kitchen door. This back door can be opened remotely for you as well.
- 6) **Making a payment** – If the office is closed you can slide any payments under the "Quiet Room" office door, at the end of the lobby with the big Glenwood Life Center logo above the door.
- 7) **Parking** – You can park anywhere in the neighborhood, along the street, **EXCEPT** in front of the fire house. There are "Do not park" signs posted across the street from the fire house driveway.
- 8) **Tables and chairs** - We have enough folding chairs for up to 80 people. We have 10 plastic six-foot rectangular tables. We have 10 more heavier wood and metal six-foot rectangular tables. The chairs can be found in the Lobby in front of the Theatre. The plastic tables are in a storage cubby just inside the men's room. The wood tables are in the coat closet to the left of the women's room.
- 9) **Leaving the building** - Please check that room lights and air conditioners are off. Please check that exterior doors are locked and pulled closed. The outside lights are on timers.
- 10) **Trash** – If you served food please put those trash bags outside in the covered trash cans in the back or on side, to the left of the front doors, as you face the building.
- 11) **Bathrooms** – Please make sure the bathrooms are in decent order before you leave.
- 12) **Add-ons** – GLC does have a portable microphone/sound system and digital projector that can be rented for \$25 each per event and a separate \$100 deposit made in advance.
